**WARRANTY CARD**

**Terms and Conditions of Warranty**  
**6+6 Months**

**THIS IS TO MAKE YOU AWARE THAT YOUR BATTERY REQUIRES CAREFUL HANDLING BECAUSE OF THE FOLLOWING**

- Lead acid batteries contain lead & sulphuric acid which are highly toxic & extremely hazardous for health & environment.
- Lead poisoning effects the Central Nervous System causing irreversible retardation and subsequent death.
- Unauthorized smelters tend to pollute the air & ground water with these toxic substances during smelting.
- It shall be the responsibility of Consumer to ensure that used batteries are not disposed in any manner other than depositing with authorised dealer.

**IMPORTANT NOTIFICATION OF THE GOVERNMENT OF THE INDIA WITH REGARD TO HANDLING OF BATTERIES**

- It is the responsibility of the Consumer to ensure that used batteries are not disposed in any manner other than depositing with the dealer, manufacturer, re-conditioner or at the designated collection centres.
- Hence, please do not discard the battery in a trash can or give/sell to a non-authorized person.
- It is mandatory for our authorised dealers to accept a used battery and provide a corresponding rebate on the purchase of a new battery
- Please note that violations of these guidelines may lead to legal action/prosecution by Government Authorities.

**CAUTION**

- Keep the battery away from sparks, cigarettes and open flame
- Avoid metallic contact across the terminals as it can result in short circuit and sparking.
- Avoid charging in airtight spaces or enclosures.
- Keep out of reach of children.

**WARRANTY CARD**

**1 Year Warranty\***

**With Premium Black Gold Technology**

An ISO 9001 & ISO 14001 Certified Company  
 Website: www.astarbattery.com

**A Reliable Power Solution Provider**

**Astar SA SERIES ENHANCED VRLA GEL TYPE BATTERY FORELECTRIC BIKE**

Astar Black Gold Series VRLA Gel Battery is specially designed and developed for long life deep cycle application, which combines advanced Graphene technology and composite Rare Earth alloy into its structure, enables higher battery capacity and longer cycle life. The Astar Black Gold Series provides longer range, stronger power and extremely long cycle life for motive power applications, i.e. electric bicycles, electric tricycles, electromotocycles and other devices requiring DC power source.

**FEATURES**

- Top three advanced materials (Graphene alloys, super carbon fibers, composite rare earth alloys) integrated into six unique manufacturing processes, formed an exclusive special design.
- Black Gold Graphene and Super-stable carbon fiber added to the electrode formulation to improve the power and low temperature performance.
- Multiple composite rare earth alloy added into the grid solves the problem of anodic film and greatly extends the battery cycle life.
- Exclusive development of the mysterious plastic container ingredients, greatly enhances heat dissipation, prevents battery from bulging.

**ADVANTAGES**

- Capacity has been increased 10 ~18%.
- High current discharge capability has been increased 15%.
- Cycle life has been increased 50% more.

**APPLICATIONS**

- Electric Bikes, Electric Scooters
- Electric Motorcycles, Electric Tricycles
- Electric Tools, i.e. electric sweeper, electric cooler/heater, etc.
- Other electric devices require DC power supply

**SPECIFICATION**

Model No.	Weight (kg)	Capacity (Ah @ 25°C)	20HR	10HR	5HR	1HR	Temp. (°C)	Self Discharge Rate (%)
ASTAR-12V-12	12	12	14	16	17	18	25	3
ASTAR-12V-20	17	20	24	27	28	30	25	3
ASTAR-12V-26	19	26	31	34	35	37	25	3

**Terms and conditions :-**

1. Astar Batteries are warranty against all defects in material and workmanship, liability under this warranty is limited to making good of defects arising-solely from the use of faulty materials or workmanship during manufacture and developing under proper use.
2. The right to determine whether a battery needs repair, rectification, free, replacement rest with the company.
- 3) First 6 months: Battery will be replaced with new cell, if Capacity <75% of rated capacity  
 Next: 3 months: Battery will be replaced with ok cell, if <70%of rated capacity  
 Last 3 months: Battery will be replaced with serviced battery cell, if capacity <60% of rated capacity
4. The defective battery arising out of the replacement under this warranty will become the property of the company and no scrap rebate will be given for it.
5. The warranty period on the battery being replaced free of cost shall commence from the date of sale of the original battery as stated in the original warranty format and not from the date of replacement given.
6. The charging system and electrical circuits of the vehicle shall be checked by the company authorised personnel or dealer before finalising settlement of any warranty claim.
7. All liabilities under this warranty shall cease, if the battery is physically damaged/burn or bulged and:
  - a. Transferred to a third party or any other vehicle.
  - b. Used in any applications other than that specified in the company's application card.
  - c. Found to have additives/dopes or anything else other than distilled water added to the electrolyte.
  - d. Damage due to fitment of additional accessories in vehicle other than original fitment.
  - e. Out of warranty period.
8. Warranty will be handled by Akash IndChi Import and Export Co. from their office at Delhi.
10. This warranty does not cover:
  - a. Damages to the battery caused accidents, fire, faulty electrical systems, improper handling, services of the battery by unauthorised dealer (auto electrician, willful abuse, destruction of fire, collision, theft, bulged, overcharging or recharging.
  - b. Building, Breakage of contains, cover or breakage/deformation of terminal due to mechanical shock like hammering.
  - c. Battery fitted in any other application.
9. Adjudication and settlement of claim will take two week as the battery has to be tested for the reported failure.
10. We can either give on-site warranty to dealers in Delhi or claims of all outstation dealers needed to be send to Delhi service center (one side freight will be borne by us in case of outstation replacement freight charges).
